

Program Overview

Super Saturday consists of four consecutive weeks of enrichment activities (especially designed for students in grades three through six) held at Bloomsburg High School, taught and directed by BHS National Honor Society members.

The four-week program begins at 9:00 a.m. with a 10-minute warm-up period of group identification, stretching, singing, and interaction with other groups.

This warm-up is followed by a 50-minute first half of each group's enrichment period. Around 10:00 a.m., all groups take a 15-20 minute refreshment break, which also includes a recess of physical activity.

The second half of the enrichment group activity then continues with 10 minutes allowed at the end for clean-up and regrouping for parent/guardian pickup. Super Saturday ends at 12:00 noon.

The last week of the program will break at 10:45 when parents/guardians are invited to view their children's program/activity/creations. At 11:30 all groups and parents/guardians will return to the cafeteria for closing comments, awards, and presentation of certificates.

The members of the BHS National Honor Society have worked closely with members of the high school faculty to design programs that include four weeks of stimulating, unique, and hands-on activities.

The goal of Super Saturday is to provide a curriculum that gives each child individual attention, encourages group interaction, and results in a product that each child will be proud to take home.

The registration cost of Super Saturday is \$30, which includes materials used in the program, refreshments for each week, and certificates of completion. ***The registration fee is non-refundable.***

Due to limited space, Bloomsburg School District residents will receive priority in registration.

*****Closing mail-in registration date is January 3, 2019*****

Bloomsburg High School's
National Honor Society proudly presents

SUPER SATURDAY

A Hands-on Educational Program for Children
