The students have worked very hard preparing for this performance. Here are some ways we can make this an enjoyable experience for everyone:

- 1. Please refrain from talking during the performance**
 - 2. Please turn off cell phones**
 - 3. Please keep aisles clear during the performance**
 - 4. Please enter or exit the auditorium between musical selections**
- If we all aim to be considerate of others, this will be a wonderful musical experience for both the performers and audience members.**
