Title: EVALUATION OF EDUCATIONAL PROGRAM

Date Adopted: August 17, 1981

Date Last Revised: June 17, 2002

127. EVALUATION OF EDUCATIONAL PROGRAM

- .1 The Board directs the Superintendent to develop and implement a systematic short-range and long-range plan for the continuing qualitative assessment of the progress of the educational program toward the goals established by the Board. To this end, she/he shall recommend such tests and methods as may be indicated by generally accepted professional practice and best professional judgement, as well as those assessments mandated by legislation or regulation.
- .2 The Board reserves the right to review each such test, and to approve those, which serve a legitimate purpose without infringing upon the personal rights of the students or their parents.
- .3 The results of any evaluation shall be released by the Superintendent annually, using data that is not traceable to individuals.
- .4 Parents may obtain an explanation of the results of their child's tests from qualified school personnel.
