414. PHYSICAL EXAMINATION (Pre-Employment)

- .1 In order to certify the fitness of employees to discharge efficiently the duties which they will be performing and to protect the health of students from the transmission of communicable diseases, physical examinations of all professional employees will be required prior to employment.
- .2 For purposes of this policy, a “physical examination” shall mean a general examination by a licensed physician, within the past calendar year.
- .3 The Board requires that all employees undergo a tuberculosis examination upon initial employment.
- .4 The Board may require an additional exam if it is deemed necessary.
