**425. DRESS AND GROOMING**

- .1 Teachers set an example in dress and grooming for their students to follow. A teacher should present an image of dignity and encourage respect for authority. These factors act in a positive manner towards the maintenance of classroom discipline.
- .2 The Board has the authority to specify reasonable dress and grooming guidelines for staff, within law, that will prevent such matters from having an adverse impact on the educational process. All staff members shall, when assigned to district duty:
  - .21 be physically clean, neat and well groomed
  - .22 dress in a manner reflecting professional assignment
  - .23 dress in a fashion that is commonly accepted in this community.
