909. MUNICIPAL GOVERNMENT RELATIONS

- .1 It is the policy of the Board that this Board, school officials, and municipal officials maintain a close and harmonious association. Such liaison is requisite for dealing with school/community matters and problems in the most satisfactory manner and assuring the most prudent expenditure of tax dollars.

- .2 The Board recognizes that its authority arises directly from the General Assembly, but it also is aware that the municipalities and the school district must work together for the welfare of the citizens.
