

Buildings, Grounds, & Athletics Meeting
January 21, 2025 // 6pm

1. Solar 4 Schools Grant Application

- Letter from Montour Township notifying district that the solar installation is legal, but there is an approval process to go through.
- Still waiting on a similar letter from the town.
- Still waiting, also, on metering and insurance information.
- All application checklist items complete.
- McClure has inquired about panels on the floodwall; awaiting response.
- Next SAC meeting on Monday (1/27); JJ will share latest designs.

2. Swimming Pool Repairs Update

- Itemized list of improvements, total quote: \$187,034.43.
- 10 to 15 years before next filter replacement.
- Potential to have the nicest pool among local districts, but pool now primarily used by outside groups.
- Need to develop a contract with YMCA to help cover costs. (\$11,000/year?)
- What is cost per student? What is on-going maintenance cost? What about custodial costs after BAY events?
- Current practice is not sustainable; need a fair and equitable financial model to subsidize maintenance.

3. Coaching Vacancies / Salaries

- Mr. Kogut introduced proposed new salary scale for coaches; intended to bring BASD salaries into line with comparable districts.
- Salaries need to be updated in order to compete for good coaches.
- Pay elementary positions?
- Committee should review proposed changes and come back with questions and comments at the meeting next month.

4. Parking Options at the Secondary Complex

- Livic Civil plan for additional parking in front of building; hope to avoid stormwater mitigation issues.
- Designated teacher lot? Manage total number of handicapped spaces?

5. Fitness Center Improvements

- Structural problems have been resolved.
- New equipment recommendations and mirrors.

6. Capital Projects for 2025-2026

- Small quantity of mercury at Memorial Elementary gym.
- Parking lot cracks in need of repair at Memorial.
- ServePro & moisture issue.
- Lights for baseball field?
