- District should revise agreement with YMCA or otherwise ask for larger contribution to maintenance fees.
- District should analyze per-day cost of usage and identify a reasonable price.

- Pay scale has not been updated since 2011; past due for revision.
- Pay should honor years of experience coaching in the district.

- District could start with existing structure and revise salaries up, or start from scratch with an entirely new scale.
- Discussed potential stipend for junior high girls wrestling coach and ways to structure program moving forward.
