of the Bloomsburg Area School District Board of Directors**

**21 November 2024**

**Bloomsburg Area Secondary Complex Enhanced Learning Center**

**Meeting Summary**

McClure Geothermal/Solar Discussion

- Options for Capital Improvement through GESA and Solar Energy
- Combining both gives options of maximizing grants, tax incentives, and minimal energy cost
- Solar array discussion regarding parking lot canopies (not recommended for this scope of project, due to cost and grant restrictions)
- Proposed timeline with grant submission reviewed

Additional items for next meeting

- Athletic Coaches Salary Discussion
- Secondary Complex Additional Parking Options
- Swimming Pool repairs/Update (Tour of Natatorium)
