# SCHOOL TIME

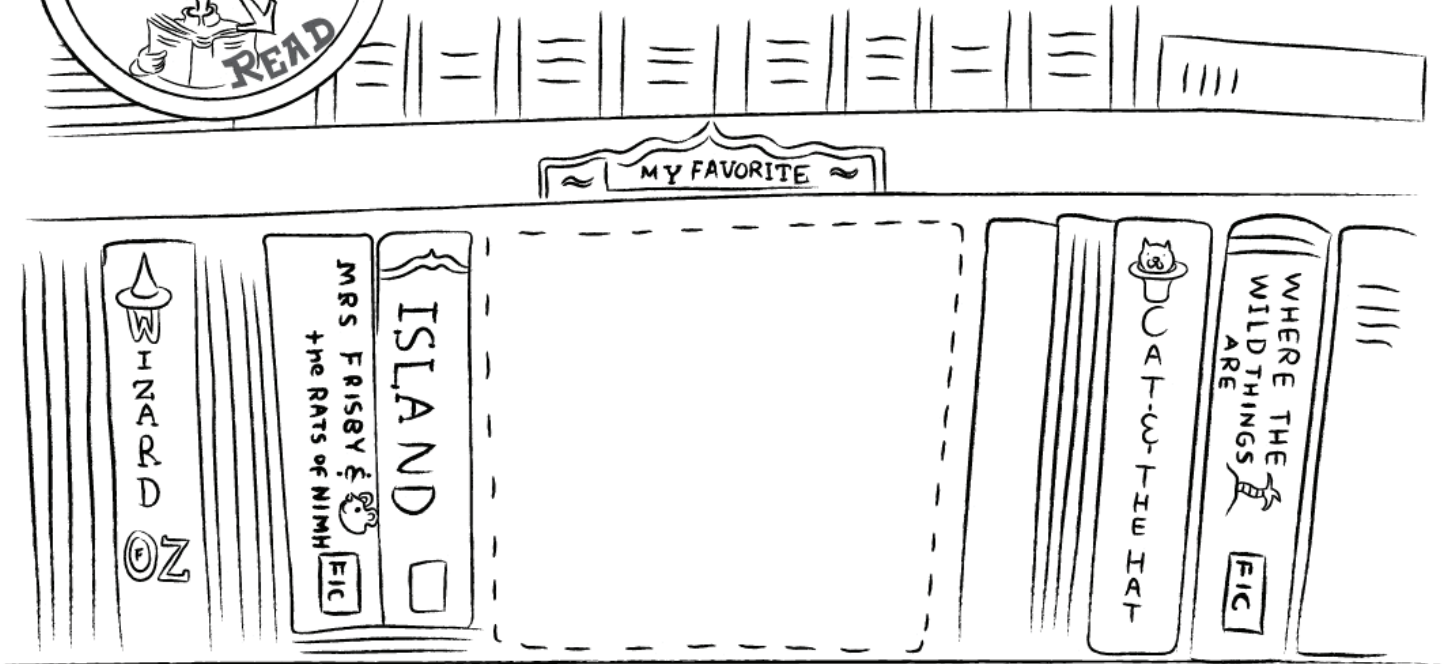

Teachers help you learn and teach you new things. It is important to pay attention when you are in school.

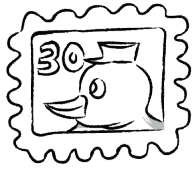

Put an **X** over everything that does not belong in school, and **color** everything that does belong in school.

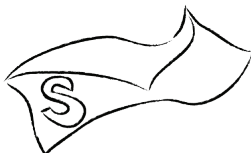

A librarian helps you find books in the library and can read to you, too. Draw a picture of your favorite book in the first box. Then show how a librarian can help you find it in the next box.

# LETTERS

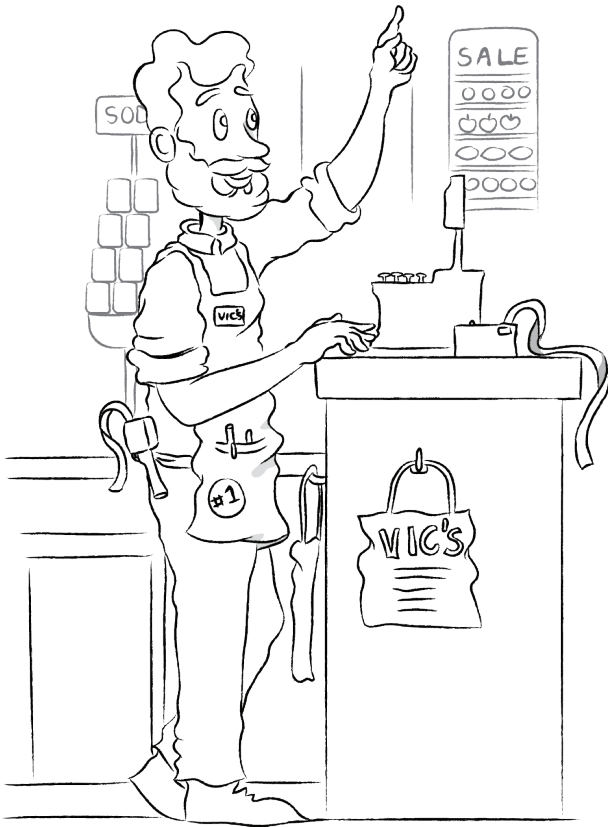

Fred the mail carrier has to deliver all the mail around the neighborhood. He has eight letters to deliver to Susie. Color all the envelopes with the letter "S" on them so Fred knows which ones to give to Susie.
