

**Bloomsburg Area School District**  
**Proposed Work to Be Completed In-District or Beyond Current Scope**

<b>Project</b>		<b>Description: To Be Completed In-District</b>
1	Classroom Projection Upgrade	Demo chalk boards. Install new short throw Epson projectors and new screens.
2	Maintenance Facility	Convert open areas to district storage.
3	MS Teacher Storage	Reconfigure one of the existing spaces into storage for teachers.
4	MS Site Upgrades	Get grass to grow where the street sidewalk meets our school.
5	MS Signage Upgrades	Add school pride signs and industrial-like stickers to hallways and floors.
6	Central Nurse Office	Add a centralized nurse office and/or faculty room for both schools to easily access.
<b>Project</b>		<b>Description: Beyond Current Scope</b>
1	Solar Panels	Add solar panels to the roof.
2	HS Generator Study	Study what is on the generator, what additional capacity and what may be added.
3	MS Generator Study	Study what is on the generator, what additional capacity and what may be added.
